

It was a pleasure and honor to have served as the Chair of Media and India Relations of the 15th AAPI Global Health Summit in Hyderabad! Our Indian team lead by Dr. Dwarakanath Reddy has done an exceptional job in making the event very successful. Several students from across India participated in many events organized by AAPI.

Dozens of reporters from local, national and international media, both print and electronic, were present at the inaugural event. The news of the events was published in local, national and international newspapers and was very well covered in numerous TV channels.

I would like to thank Dr. Anupama Gotimukula, president of AAPI, Dr. Udaya Shivangi, Chair of GHS (US) and Dr. Dwarakanath Reddy, Chair, GHS (India) for the opportunity and support. I also want to thank Mr. Ajay Ghosh, media correspondent, AAPI and Mr. GBK Murthy.

Respectfully Submitted,
Satheesh Kathula, MD, FACP
